

Placement Highlights

Our Engineering College is one of the esteemed institute in Thane district. We at SSJCOE Dombivli, are working hard to build enthusiastic and energetic engineers who are always ready to take challenges and tackle them. Our Training & Placement cell (T&P) guides clear career path to the students. It caters to the industrial training needs of students and also provides placement opportunities to them through campus interviews. It also motivates and prepares students for the interviews in prospective workplaces.

Training Activities at Placement Cell

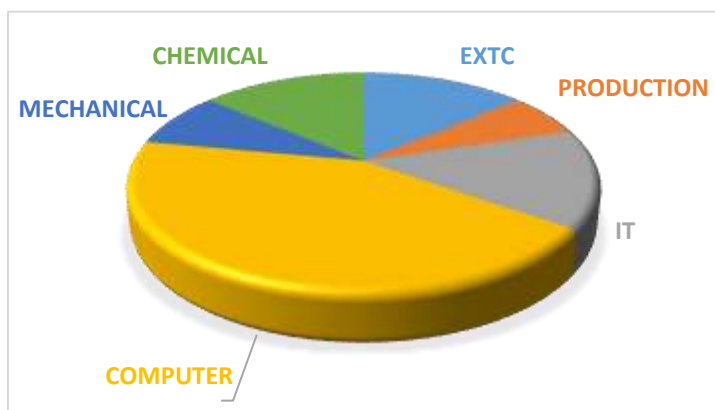

Pre-final year and final year students are required to actively participate in workshops/training programmes organised by T&P Cell. It is the responsibility of the student to check announcements/notices/updated information/shortlisted names etc. for the placement activities. The activities carried out under T&P cell are:

- ▶ Seminars and Career Guidance Workshops
- ▶ Personality development classes
- ▶ Training for Aptitude Tests
- ▶ Group Discussions & Mock Tests and Interviews
- ▶ Training on Technical Skills like Python, Java, IoT and others
- ▶ Guest Lectures by experts from Industry, Research and Academic Institutes
